## Farming simulator 18 site dounbox

Farming Simulator 16 is a continuation of a unique series of games for Android dedicated to busy farm life. What is its uniqueness? Under your control is all kinds of machines, used for agricultural work. The first of these is a small harvester which will harvest for subsequent sale. Used to control the standard screen buttons, and a gyroscope. You need to keep under control both the direction and speed of the machine.Special equipment requires additional tools. You will have to choose recipes for specific types of agricultural activities. So, the well-known plough, indispensable as the digging of the earth for the next sowing. There are special fixtures for the harvest. Here lies the significant problem of the game – there is no detailed manual, thanks to which it would be clear that you want to buy and where to go to thoroughly earn.Farming Simulator 16 allow for automatic operation of the combine harvester. Free time you can work on the tractor or control another field. In addition, there is the opportunity to visit his personal farm and purchase cattle, to extract profit from it, selling milk and wool.A new part of a series of games adds wood processing, as well as special equipment for it. The thus obtained materials need to trade in diverse markets, carefully evaluating the most advantageous offers. Farming Simulator 16 – interesting and somewhat improved the farmer, in which you can play with friends. Farming Simulator 18 (MOD, Unlimited Money) - continuation of the famous series of games about farming. This time you will find a new graphics, physics, new models of technology. Get behind the wheel of a large wheeled and tracked vehicles and process their fields. You can also harvest and sell it to expand more. Updated to version 1.4.0.6! The whole game world is a playground full of mischief and illegal activities, the protagonist walk in the darkness, car theft, fighting gangs, the more he did, the higher the priority of being wanted in the police there, often Glancing at him trying to catch him. Throughout the storylines and quests, players can choose additional quests to gain some extra money and experience. Game operation is the usual Gameloft style, familiar Gameloft users will quickly adapt to the joystick and buttons on the screen, driving a little bit to adapt to time, but there are several control layout is not used to people accustomed to. Graphical interface is very good, a little lag. Overall, this game is another masterpiece of Gameloft, and the guys surely know what they're doing. If the player does not mind the rubbish in the game, this game is still worth playing. The story takes place in Rio de Janeiro, Brazil, a city full of vitality and passion, where players will start a full of exciting and dangerous story. The protagonist of the game is a jail member in Rio de Janeiro. He has a beloved woman Anna. The unlucky thing happened when the protagonist wanted to finish the last thing for the gang and then prepare to quit the gang and live a stable life with her woman. Anna was killed, so began a journey of revenge. In the game main line, players need to complete a series of plot tasks, to constantly find out the truth of the matter. Until the last to be able to take place in their own body, to solve all the puzzles. In addition, the game will have a variety of random tasks, players can receive these tasks outside the main line, to experience a variety of different tasks - assassinating corrupt politicians or gangsters, witness protection, Special package, steal the vehicle. Completion of the main line and random tasks, will receive a different honor value, access to a sufficient number of honor values will be able to enhance the player's own character rankings to make it more powerful. And upgrade level can also get additional skill points, can be used to strengthen the health, strength, driving and shooting four major projects. Players can be biased according to their own preferences, to add capacity. The general operation of the game is a virtual joystick plus keys in the form of overall operation to maintain good operability. While driving vehicles such as vehicles, helicopters, motorcycles (or even tanks) and the like, the game will offer 6 different modes of operation. From gravity sensing to pure virtual buttons, to virtual steering wheel and more. Players will be able to fully experience Rio de Janeiro this passionate city, of course, clashes with the gang, a variety of emerging violence is still the highlight. The game has maintained its usual style. While accomplishing all kinds of tasks, enjoy the free country, kill people, rush cars and become the masters of cities. The game also added many new elements, weapons, vehicles, etc., in the sky aircraft, driving the tank on the ground, free to dominate. The game can also be made through the purchase of a variety of costumes and accessories to make their character more personal. At the same time there will be a variety of different weapons can be purchased to help players to better complete the task and get the necessary money.-apkaWard.com All in all, "Gangstar Rio: City of Saints" not only continues the characteristics of the predecessor, but also has made considerable progress. The criminal theme of the gang has been better reflected, coupled with a wealth of task content, on the road to revenge, take you to appreciate the different styles of Brazil. Believe that favorite players will not miss! For aficionados of simulator games, the Farming Simulator franchise will be a common name.
