Computer basics quiz questions and answers

Computer fundamentals multiple choice questions has 762 MCQs. Computer fundamentals quiz questions and answers, MCQs on basic computer hardware and software, system software, application software, computers applications, commercial applications, CPU, communications hardware devices, introduction to computer MCQs with answers, programs execution and testing, interfaces, data representation, file systems, information technology and processing, input errors, storage devices and media MCQs and quiz to practice. Computer fundamentals multiple choice quiz questions and answers, computer basics exam revision and study guide with practice tests for online exam prep and interviews. Basic computer interview questions and answers to ask, to prepare and to study for jobs interviews and career MCQs with answer keys. Computer applications and commercial applications quiz has 10 multiple choice questions. Central processing unit and execution quiz has 17 multiple choice questions. Communications hardware devices and interfaces quiz has 41 multiple choice questions with answers. Computer hardware and software quiz has 37 multiple choice questions. Processing systems and system software quiz has 56 multiple choice questions. Digital logic quiz has 12 multiple choice questions. File systems quiz has 85 multiple choice questions. Information technology and processing quiz has 18 multiple choice questions. Introduction to computer hardware quiz has 33 multiple choice questions. Computer science quiz has 33 multiple choice questions. Programming languages quiz has 126 multiple choice questions. Data representation quiz has 40 multiple choice questions. Data preparation and input quiz has 78 worksheets with answers. Input errors and program testing quiz has 54 multiple choice questions MCQs. Computer memory and storage devices quiz has 47 multiple choice questions with answers. Problems solving using computer quiz has 75 multiple choice questions. Basic computer interview questions and answers, MCQs on applications and system programs, applications programs and system programs, backing stores, backup storage in computers, bar codes, tags and magnetic stripes, basics of high level languages, batch process in computers, batch processing, binary representation of characters, binary representation of numbers, communication, remote and local, computer architecture and organization, computer hardware and software, computer organization and access, computer plotters, computer programmer, computer registers, computer systems, control statements in basic language, control statements in Comal language, data and information, data accuracy, data collection and input, data processing, data processing cycle, data processing manager, data types and structural programming, structures, databases and data banks, detection of program errors, digital computers, document readers, encoding, decoding, error detection and correction, fetch execute cycle, file storage and handling of files, file system and file usage, high level computer programming, high level programming, input and output devices, input output, integrity of input data, introduction to high level languages, logic circuits, logic gates, low level programming, main memory, storage devices, master and transaction files, methods of storing integers, microprocessors, microcomputers, multi access network, multi access system, octal and hexadecimal, operating systems, peripheral devices, positive and negative integers, printers, program design and implementation, program errors, program libraries, program style and layout, programs and machines, programs and program languages, real time image processing, real time processing, representation of fractions in binary and representing algorithms flowcharts, computer fundamentals worksheets for competitive exams preparation. 55e878cd2c9aff7420c7121e 5e8de7bd6af4581a50d9a40e Computer Basic Basic Computer Knowledge questions with answer (Computer mcq) : name of the screen that recognizes touch input is : identify the device through which data and instructions are entered into a computer computer monitor is also known as : arrange in ascending order the units of memory tb, kb, gb, mb which one of these stores more data than a dvd ?Basic Computer Awareness General Knowledge GK : Computer Awareness is becoming most common part of today's competitive examinations. Without basic knowledge of computer candidates lag behind in these examinations. It tests general knowledge on common terms and concept of computer. Keeping in view of this, we have added some most frequently asked questions on Computer Fundamentals in MCQ format for your proper practice. Take this online practice tests / quiz and you will have an idea what kind of questions are expected under computer awareness in general knowledge section. All questions are selected in a manner so that it becomes easy to understand the topic. You will find these commonly asked solved questions (with answer) really helpful. Just practice.Computer MCQ Question with AnswerHere you will find a list of common important questions on basic computer knowledge in MCQ quiz style with answer for competitive exams and interviews. These frequently asked sample questions on Computer are given with correct choice of answer that you can check instantly. Presently we have added total 2 sets of questions on basic computer knowledge for you to practice. We will keep adding more questions and provide this question bank in PDF format, so that you can download them instantly in E-book style.Following section consists of some important multiple choice questions (mcq) on basic computer knowledge with answers.TEST INSTRUCTION: CLICK OPTION (A, B, C, D) TO SEE ANSWER. Q. Answer Answer : Touch Screen [Option : C] Show Answer Q. Answer Answer : Input device [Option : C] Show Answer Q. Answer Answer : VDU [Option : C] Show Answer Q. Answer Answer : TB>GB>MB>KB [Option : C] Show Answer Q. Answer Answer : Blue Ray Disk [Option : C] Show Answer computer basics quiz questions and answers pdf
