Sydney is the city in Australia. Clause Phrase Word Sentence Preposition Figurative Language In this comparatives and superlatives worksheet, students take part in a quiz where they order things and write comparative and superlative sentences about them. Give each student a copy of the worksheet. Students complete the worksheet by putting words in order, according to the adjectives in brackets. Students then write sentences using the words and adjective in its comparative and superlative form. When everyone has finished, check the correct answers with the class. In this comparatives and superlatives activity, students conduct a survey and then write comparative and superlative sentences about the results. Give each student a copy of the worksheet. The students answer six questions on the worksheet and write their answers in the second column of the table. Working in groups, students then interview the other members of the group using the same questions and complete the table with their answers. When the students have all the answers, they use the results to write three comparative and three superlative sentences about the students in their group. Finally, students compare their sentences and give feedback to the class on what they found out. In this comparative and superlative worksheet, students draw pictures of three people from comparative and superlative descriptions of their appearance. Give each student a copy of the worksheet and some coloured pencils. The students read the sentences on their worksheet. The sentences describe three classmates using comparative and superlative forms. After reading the sentences, the students draw pictures of the three classmates from the descriptions. When the students have finished, they compare their pictures in pairs. As an extension, students can write a description of three of their classmates using comparative and superlative forms and then dictate the description to a partner for them to draw.
