We have the answers. Find out all that you need to do about Tata Sky. A. Sky Record ('Tata Sky Record') is an Android Box feature being launched by Tata Sky Limited (hereinafter referred to as 'Tata Sky') for its Eligible Subscribers. Eligible Subscribers shall mean new or existing subscribers who avail Tata Sky Binge+, which is India's 2nd Generation Hybrid DTH set-top box based on Google Android TV platform ('Android Box'). What is Tata Sky Record? With Tata Sky Record feature on the Android Box Eligible Subscribers will be able to record the content on the cloud and playback the content from the cloud till the time Eligible Subscriber has an active Tata Sky subscription, subject to the terms and conditions as mentioned herein. Eligible Subscriber must have Tata Sky Binge+ with Android Box to be able to use this feature. To use this feature Eligible Subscriber has to subscribe to Tata Sky Record. Thereafter, Eligible Subscriber can initiate cloud recording from guide/ banner/ program information screen / home screen of their Android Box and record any current or future programme, for selected content only, as may be offered by Tata Sky. Content available for recording via Tata Sky Record may be subject to third party intellectual property rights hence may have limited access, view, or record rights. Eligible Subscriber agrees to use this feature in conjunction with the content he/she is legally authorized to access, view and record, to the extent rights are available for such content. Eligible Subscriber can view the recorded content in three categories under the Recordings section : Recorded – content already recorded will be displayed under this section. Eligible Subscriber can select to view, sort, filter or delete the recorded content from here; In Progress – content which is in the process of getting recorded will be displayed under this section. Eligible Subscriber can stop or cancel the recording from here; Scheduled to be recorded – content which is scheduled to be recorded for a future date/time will be displayed under this section. Eligible Subscriber can cancel the recording scheduled to be recorded from here. Eligible Subscriber can restart a program from the beginning anytime, or pause/ play the program, subject to content rights availability for restart and play/pause functions. Content rights of broadcasters may change at any point of time. Tata Sky Record feature offers limited capacity for recording the content on cloud. Eligible Subscriber can manage their cloud quota by setting the option to manual/auto which enables manual/auto deletion respectively, of the content. In case of auto deletion, the first recording shall be the first to be automatically deleted i.e. in first in first out order. If an Eligible Subscriber tries to record new content that the cloud can't hold in the space available, then the content previously recorded may be deleted. Tata Sky Record does not permit an Eligible Subscriber to "protect" recordings from such deletion. How to avail this Service? be able to use the Tata Sky Record feature, Eligible Subscriber has to subscribe to a Tata Sky Record Pack first which shall be available with different recording capacity (in hours) and recording concurrency, at applicable rates. The details of different Tata Sky Record Packs are as follows: Basic Pack: Available at no additional cost; 25 hours of recording with the ability to record 1 program at a time; Recordings will be deleted after 3 months; Some recordings can expire before the 3 month period based on specific channel/event level rights; Retention of recordings will be for 14 days post account deactivation; In case of cancellation of Tata Sky account or dropping the subscription, recordings are kept for 48 hours before deletion; Premium Pack: 100 hours of recording with the ability to record 20 programs simultaneously; Access scheduled, in progress and completed recordings from the 'Recordings' section; Record your favorite shows and movies as per channel/broadcaster level recording rights; Some recordings can still expire because of channel/event specific conditions; Retention of recordings will be for 30 days post account deactivation; In case of cancellation of Tata Sky account or dropping the subscription, recordings are kept for 48 hours before deletion. Eligible Subscriber can upgrade from Basic Pack to Premium Pack anytime for Rs. 199/monthly. To subscribe to any one of Tata Sky Record Packs Eligible Subscriber can order it by any of the following methods: Tata Sky Website: By logging on to www.tatsky.com/ www.mytatsky.com; Tata Sky Helpline: By calling Tata Sky helpline at 1800 208 6633, anytime between 00:00 hours (IST) and 23:59:59 hours (IST); On screen of Android Box. If an Eligible Subscriber is holding more than one Android Box, then they will be able to use the Tata Sky Record feature on all Android Boxes per Subscriber ID. B. Special Terms and Conditions: Eligible Subscribers subscribing to the Tata Sky Record shall be bound by the following terms and conditions: In order to subscribe to the Tata Sky Record Packs, the Tata Sky Subscriber Account needs to have sufficient Account Balance On the expiry of the Tata Sky Record Pack, the same will be auto renewed unless cancelled by the Eligible Subscriber, subject to sufficient Account balance. Post the expiry of the Tata Sky Record Pack the recorded content shall be deleted unless retention period is specified in the respective Pack. The Eligible Subscriber shall have the choice of not renewing Tata Sky Record provided that such a choice has been explicitly made by way of registering the change on the Account through www.tatsky.com or through the Tata Sky Helpline. Should the Eligible Subscriber want to make changes to Tata Sky Record Pack, the Eligible Subscriber will need to explicitly effect such a change by logging into www.tatsky.com or calling the Tata Sky Helpline or by making the changes on the respective screen on the Android Box. The Tata Sky Record Pack will be automatically dropped/retained in case of any change at account level, as indicated below: Case 1: Eligible Subscriber has Subscriber ID 1 having Tata Sky Record Pack with Android Box 1 as Primary Box. The Eligible Subscriber also has Subscriber ID 2 with Android Box 2 as Secondary Box. Subscription to Tata Sky Record Pack does not authorize the Eligible Subscriber to automatically receive any additional services that Tata Sky offers which are not part of the Tata Sky Record Pack. Subscription to any additional services shall be at an additional cost. If an Eligible Subscriber opts for the Tata Sky Record Pack on a monthly basis, then the viewing of the service will be subject to the Eligible Subscriber ensuring sufficient balance in his/her account to support the Tata Sky Record Pack. In the absence of a Minimum Account Balance, the services of the Tata Sky Record Pack will be deactivated. The services will be restored once the Eligible Subscriber account has been sufficiently recharged. To avail and use Tata Sky Record Pack wireless internet connectivity is required which could be a wi-fi based dongle or internet provided by a third-party provider. The internet connection is subject to the fees, terms and conditions imposed by the internet service provider. Tata Sky does not guarantee that the services will be uninterrupted error-free or free from viruses, Trojan horses or harmful components. The recording and playback quality and resolution will depend on several factors like the compatibility of the device on which the Eligible Subscriber is accessing the content and the internet bandwidth. In case the Eligible Subscriber goes into de-active state due to non-payment of dues, the Tata Sky Record functionality will stop working. The recorded content can be deleted without prior notice to the Eligible Subscriber under the following conditions: Channel/Broadcaster level expiry – For different events, broadcasters/channels can specify different rights for recording, restarting or the duration within which the recording can be watched. So, recording content will be deleted as per channel/event specific expiry rules. For the Basic Pack, there is a blanket deletion policy of 3 months, i.e. from the time of recording, after 3 months that particular recording will be deleted. Pack downgrading – If an Eligible Subscriber downgrades from the Premium Pack to Basic Pack, the storage quota would change. Consequently, recordings, including recording in progress/scheduled recording, will be deleted in a 'first in first out' order, based on the time of recording. STB cancellation/Tata Sky Record Pack drop – All recorded content shall be deleted after a period of 48 hours. Temporary Suspension of account - Temporary Suspension of accounts will happen as long as box is temporarily suspended. 'Deactive' Android Box (no balance) – All recorded content shall be deleted after a period of 14 days for the Basic Pack and after 30 days for the Premium Pack. During that duration the Eligible Subscriber won't be able to access the recordings. Eligible Subscriber agrees not to decipher, decompile, disassemble, or reverse engineer any of the software used for the Service, or attempt to or assist anyone in doing so. Eligible Subscriber agrees that content viewed and/or recorded on the Service is solely for his/her own personal, private, non-commercial use. Eligible Subscriber agrees not to use the Service in a way that leads to any copyright infringement, including but not limited to reproduction, distribution, modification, public performance, public display, license or any other unauthorized use or exploitation of the content. No warranty or guarantee is provided with regard to the (a) access to or recording of any particular content; (b) the length of time any particular recorded program may remain available for Eligible Subscriber's viewing; or (c) that the Service (i) is error-free, (ii) will not be interrupted, (iii) will not erroneously delete content that is recorded, or (iv) will not fail to schedule, make, store, or play back recordings. Tata Sky reservesthe right to vary, modify, change, or terminate the Service (and/or all or any portion of access provided to Eligible Subscriber) at any time at its sole and absolute discretion and, for the avoidance of doubt, Tata Sky may terminate the Service (and/or all or any portion of an Eligible Subscriber's access to the Service) even if an Eligible Subscriber has not decided to cancel the Service. In the event that the Service (and/or the access to the Service) is cancelled or terminated for any reason or no reason whatsoever, Eligible Subscriber will no longer have access to any recordings that he/she had made with the Service. If Eligible Subscriber's Tata Sky Account is disconnected, suspended or deactivated for non-payment/insufficient account balance or for any other reason (or no reason) whatsoever, then, even if the Eligible Subscriber pays to restart his/her subscription(s) to the Service, recordings that were made with the Service prior to such disconnection, suspension or deactivation may no longer be available. Eligible Subscriber hereby agrees to release Tata Sky from any and all liability and responsibility for any: (a) inability to access or record any content; (b) erroneous or intentional deletion of any recording at any time; (c) failures, errors and interruptions of the Service; and/or (d) failure or inability to schedule, make, store, or play back any recording. Not all devices are compatible or permissible for use with the Service except Tata Sky Binge+ connection with Android Box. Eligible Subscriber may use more than one Android Box to access the Service, but Tata Sky shall have the right to limit the number of Android Boxes an Eligible Subscriber may use concurrently to access or use the Service at a time. C. General Terms and Conditions: In addition to the Terms and Conditions stated here, the Eligible Subscribers shall be bound by the terms and conditions stipulated in the Subscription Contract, and such other documents, all found on the Tata Sky website - www.tatsky.com. The documents referred above will be collectively referred herein as 'Subscription Contract'. Tata Sky shall not be responsible in case of any network problems such as breakdown of machinery, unclear network, disruption in the network and/or the charges that may be payable by the Eligible Subscriber to any network operator or network service provider including any mobile carrier handling charges, data handling charges, or premium rates that may be charged by the network operator/ service provider. The Eligible Subscribers must check with their respective network operators regarding the charges payable to the network operator before using any of networks. Any dispute in connection with the same should be settled between the Eligible Subscribers and the network operator without involving Tata Sky. Tata Sky reserves the right, at any time, to verify eligibility requirements, in any manner deemed appropriate by Tata Sky This Service is non-transferable, not for resale, and not redeemable for cash.
