All in.Bet is 6 million.Raise.Raise.Twelve million. Here, there, wherever you want. Does that mean you're warming up with me? What was the bet?A hundred thousand?Call.Hello.I guess I don't have to tell you how beautiful you are.Half the people at that table are still watching you.Champagne.Mr. Le Chiffre.Bet. Sorry, can I put you on hold? - I thought you could. It's working. Bond, don't press the red button again. Can you hear me? I can... No, no. That's all the time I have anyway. Give our guests five minutes to leave or throw them overboard. Who the hell do they think they are? I report to the Prime Minister, even though he's smart enough not to ask me what we do. Have you ever seen such a bunch of self-righteous prisons covering your ass?They don't care what we do, they care about what we do. And how hell could Bond be so stupid? I give him double 0, he celebrates by shooting at an embassy. Is the man upset? And where the hell is he? In the old days, if an officer did something awkward to have the common sense to defect.Christ, I miss the Cold War.You had a bloody cheek.I'm sorry.For the first time the shooting.Or yourself.You broke into an embassy.You violated the only absolutely inviolable rule of international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So you could kill nobody.We wanted to international relations.And why?So y lancio oggi.I have to go.Stop!. That's something to be afraid of.-Hi.-Oh, perfect timing.Mr. Mendel.How are things in Switzerland?Apologies, I don't mean to rush 120 million is a lot of money.It certainly is. Ace, King, Queen. Hey.Hello.Do you want to take this or keep me waiting?Of course, sir. Aces and seven. The Queen is playing. To the right!You're a funny man, sir. yes, yes If you do, I won't give you the password. Which means your customers will hunt you down and cut you into pieces of meat while you're still breathing. Because even after I butcher, you and your girlfriend and your girlfr know. The big picture. Give me the password, and at least I'll let her live. Link. Do it early enough and it could be all whole. You will feed you what you seem not to appreciate. You will receive the money. You will receive it. The money will not be so precious for our organization as to know who fidarsi.Francesco.Francesco.Vesper.No.Non he not Mathis.No.Io you will takeÃ² the doctor.Not him.Any ideas?-What?-Because they left the two of you alive. Should A[°] she?Sleep.Well, I should let you drink this.And âs just strange to kill all the alms But leaving you and her intact. Almost as if someone were trying to tell us something. You get alook at look at It makes me feel born again.Page 17If you were just born, be naked?You got me there.Can you have me anywhere.Can you.Fold.Fold.Thank you.Vinci.Deal me out.Sorry, sir.
