## Kevin gates only the generals

Louisiana rapper Kevin Gates has dropped a surprise mixtape, Only The Generals Part II, his first project since 2019. Stream it below via Apple Music or Spotify.The 12-track effort includes Gates' recent single, "Plug Daughter 2", produced by Internet Money mastermind Taz Taylor. It's the sequel to Gates' 2019 EP, Only the Generals Gon Understand."To be a general, you're on the frontline, but you still govern," Gates explained, via press release. "Whether you're a man, a woman, or a child, you've got responsibilities. When you're a general, you recognize those responsibilities. This project speaks to the heart, so it's only for the generals. It's not an album. I just wanted to bless the game with something beautiful."Gates recorded Only The Generals Part II earlier this year in Puerto Rico to celebrate his family heritage on the island. "They call Puerto Rico 'La Isla Del Encanto,'" said Gates, "which means 'The Island of Enchantment.' The energy here is beautiful. My inspiration in going there was the people in my family. They talk about it with a spirit. There's magic to it. The music I made in Puerto Rico is like no other. The island makes you move with energy, and I could feel my grandmother's spirit around me. It's just where the fuck I came from."Gates' most recent project was 2019's I'm Him, and the rapper previously teased his third studio album, Khaza. He recently appeared on "Ziploc" off 2 Chainz's latest album, So Help Me God.Only The Generals Part II Artwork:Only The Generals Part II Tracklist: 01. Yes Lawd 02. Big Hittah 03. Cartel Swag 04. Big Steppah 05. Shit 06. Raw U Out 07. Send That Load 08. Plug Daughter 2 09. Wishing In Morocco 10. Puerto Rico Luv 11. Waddup Homie Pt. 2 12. Fairytale TOP 5 5. BIG HITTAH Kevin Gates sounds like the ultimate bad guy in "Big Hittah." Kevin Gates brags about having prices on his head, about going places solo dolo (He really does... My mans saw him at Kabob Palace the other day), and about overcoming stiff odds in "Big Hittah." While it is definitely fun rooting for a bad guy, especially when they hit us with trill-ass raps, the best things about this song are the catchy-ass hook and the spine-chilling beat. 4. PLUG DAUGHTER 2 You gotta be a bold muthaf\*\*ka if you want to mess with a plug's daughter... Throughout "Plug Daughter 2," Kevin Gates talks about splurging on chicks, about being in cahoots with drug dealers, and about getting into very dangerous situations. While the song features a simple hook, simple melodies, and simple flows, I think it's its trill but somewhat pleasant nature that will catch your attention the most. 3. WADDUP HOMIE PT. 2 Youngboy Never Gates Again? "Waddup Homie Pt. 2" is one cold-ass banger. The song features an instrumental that Youngboy Never Broke Again would do major work over and a rugged rap style by Kevin Gates (He does hit us with a powerful vocal performance towards the end). As for lyrically, Gates talks about his growth, his willingness to entertain beef, and his drug-dealing ways in the song. These songs remind me how real Gates is. 2. YES LAWD Kevin Gates spits like a madman on "Yes Lawd." "Yes Lawd," the first song on the album, features an instrumental that you might hear on an action movie. Over it, Kevin Gates hits us with heinous deliveries and lyrics that will remind you that he is a loner that deals drugs, that pulls chicks that aren't his, and someone that would smack the living daylight out of someone that disrespects him. If you are a fan of a version of Gates when he sounds like a bully, you will f\*\*k with this song for sure. 1. FAIRYTALE Kevin Gates plays a comforter, a cartel member, a motivator, and a hopeless romantic in "Fairytale." "Fairytale" is laced up with infectious melodies, gentle vibes, and somewhat positive lyrics. For fans of a melodic Gates, this song is something you will want to play. SONG BY SONG BREAKDOWN 1. YES LAWD (4/5) 2. BIG HITTAH (4/5) 3. CARTEL SWAG (3/5) 4. BIG STEPPAH (3/5) 5. SHIT (3/5) 6. RAW U OUT (3/5) 7. SEND THAT LOAD (3/5) 8. PLUG DAUGHTER 2 (3/5) 9. WISHING IN MOROCCO (3/5) 10. PUERTO RICO LUV (3/5) 11. WADDUP HOMIE PT. 2 (4/5) 12. FAIRYTALE (4/5) OVERALL RATING (C) Here are some of my takeaways from Only The Generals, Pt. II: I miss experimental Gates. I feel like Gates' previous albums are a lot more experimental than his most recent albums. I miss the songs in which he hit us with intricate melodies and powerful harmonies. Unfortunately, on Only The Generals, Pt. II, Kevin Gates stays in a lethal pocket that he only deviates from every once in a while. Gates is really about that life. I keep forgetting how gangsta Kevin Gates is. On this twelve-track album, dude takes drug-dealing-talk, violent-talk, and woman-slaying-talk to another level. While other rappers talk about their violent clicks in their music, Gates talks about being tied to cartels and s\*\*t over and over again. The beats on the album are so f\*\*king riveting. I swear, every instrumental on Only The Generals, Pt. II can be featured on a trap version of The Godfather. Kudos to every single producer that did work on this album. Kevin Gates really loves doing s\*\*t all by his lonesome. Much like a bunch of his other albums, Only The Generals, Pt. II only features one general: Gates. Fortunately, he is animated, gassed up, and entertaining enough to carry the album to success. Where the f\*\*k is "Wonderland?" I swear, "Wonderland" is easily Gates' best song in a year. I suppose the song didn't get cleared for the album (Cot dammit). I'm not going to lie, this album didn't click with me at all... Yea, there are a few songs on it that knock, but none really stood out to me as exceptional. Since it's one of the major releases this week, I'll enjoy it for the next couple of days, but in all honesty, I probably won't go back to play it after that. Quincy is the creator of Ratings Game Music. He loves writing about music, taking long walks on beaches, and spaghetti that fights him back. The Nets were a few inches away from a trip to the Eastern Conference Finals. Now, they enter the 2021 offseason with a few significant decisions to make.Whether watching from Jamaica, Japan or the U.S. it was hard to miss that shock of flowing, orange hair that came streaking across the finish line first in Eugene on Saturday night. It belongs to Sha'Carri Richardson. With her performance, the 21-year-old out of LSU picked up a spot in the Olympics and a national title while also setting up a possible showdown with the Jamaican world champion, Shelly-Ann Fraser-Pryce, who is well-known for her colorful hairstyles, too.Join Capital.com!
