Now, Android gamers will have their chances to experience the brutally satisfying combats that have been the iconic features of the franchise. Pick your favorite fighter and join each other in the greatest fighting tournament in the entire universe. Find out more about this amazing game from Warner Bros with our comprehensive reviews.StoryMortal Kombat introduces gamers to a whole new adventures with their favorite fighters, such as Johnny Cage, Sonya Blade, Liu Kang, Kitana, Raiden, in their new adventures. Like the previous installments, Mortal Kombat X still features the fatal and inhuman fighting styles which have made the series so popular. Prepare to have your opponents' heads cut off, their spines torn-out, and more.Still, this time, you won't be fighting alone as the game also introduces the 3v3 combats, in which you must have your team assembled and fight with varied tactics. Explore a lot of new and exciting gameplay in Mortal Kombat as you engage yourself in this godly realm.Here you'll find all the exciting features that the game has to offer.To start with, Mortal Kombat introduces gamers to a rather simple and convenient control system, which allows you to quickly get used to the in-game features. On top of that, by having the combined gestures and touch command controls, it's extremely easy for you to enjoy the combats. Perform quick combos and have your characters engaged in exciting matches. And lastly, the game also features customizable controls which let you make varied changes to the game depending on your preferences.As for the fans of the famous action series, Mortal Kombat X offers you the chances of a lifetime. Have yourself controlling your favorite sets of characters, fight against other enemies in epic fights, and experience the iconic Mortal Kombat fighting styles.And this time, you'll have three players in your team who participate in the fight, not just one. Each character comes from certain races and have similar traits. By having the right characters in your team, you can unlock a lot of useful buffs.Moreover, with Mortal Kombat, you'll also be introduced to many new characters that'll appear on the next Mortal Kombat game for the consoles and PC. Choose to fight as the new characters along with the iconic veterans like Raiden, Johnny, Liu Kang, and more. Discover the new powers that they possess. Control the bloodthirsty undead armies with Vampireess Mileena, Reptile/Klassic, and more.As mentioned, Mortal Kombat X comes with the unique 3v3 battles where you choose between different fighters and bring out the most powerful comps from your collection. Not to mention that the game also features new special attacks and powerful moves for each character. Your characters will have certain synergies which allow them to unlock unique boosts during combats. Make sure you take advantages of them to come up with the best team compositions. Fight your opponents as a Team Ronin, Team Day of the Dead, Team God, and more.And in case you haven't know this, your characters also come with unique powers and abilities that you could unlock whenever you're ready. That being said, by featuring the character cards mechanic, players can have their fighters upgraded and unlocked. Unleash their full potential with amazing buffs.Have yourself readied for your upcoming adventures as you'll have to journey through the dangerous lands. Start by following the trails to get off the Outworld, then make your way to the Netherrealm. Along the way, there will be a lot of different quests and missions that you'll have to complete. Earn yourself valuable rewards and advance in this dark world.And apart from the main adventure, gamers in Mortal Kombat X are also introduces to the epic challenges that they could complete and earn epic loots. It's also a great chance to put your skills and abilities to the test. Have yourself competing in a series of tough challenges, fight against the greatest fighters in Mortal Kombat. Each week, there will be new challenges for you to participate in. So you'll never find yourself running out things to do.And of course, in Mortal Kombat, you'll also have your chances to challenge your opponents in epic online gameplay. Join each other in the exciting and hilarious team matchups where you can join the awesome brawls.On the other hand, you're also introduced to the intense ranked battles. Compete with the world best Mortal Kombat X players and earn yourself your deserved places on the leaderboards.To make the game more exciting and relatable, gamers are also allowed to personalize their games to how they like it using many available features. That being said, you can unlock and collect multiple character customizations in the Feats of Strength. Have your favorite characters dressed up in amazing and hilarious costumes.Moreover, if you have won enough matches, you'll earn yourself the awesome Victory Stances which allow you to stand proud against your enemies. Moreover, if you defeat your opponents, you can easily show them your Victory Taunts and War Banners to irritate them.And not like other console-graded Android games, Mortal Kombat X allows gamers to experience the whole game without having to pay any free. Still, there are some in-app purchases that make the game no very balanced. But overall, you can still make up to this by being active in this game. Complete tough challenges and you'll earn yourself awesome prizes.However, if you're bothered by the in-game purchases and would like to do something about it, then our mod version of this game would certainly satisfy you. To have it installed on your devices, just download the Mortal Kombat X Mod APK file on your storage. Follow our instructions and you can easily install the game.Featuring stunning 3D graphics, Mortal Kombat X is one of the few games that could actually redefine the mobile games. For the first time, people could see and believe that Android games can look just like those that are designed for consoles.Not to mention that the studio has done a great job recreating the unique fighting styles in Mortal Kombat. Experience realistic fights and physics that you could hardly find on any other mobile titles.And last but not least, thanks to the customizable graphics, you can easily have the game playable on multiple devices with varied hardware. So you don't have to be disappointed yet if you're having a low-end Android device.While it's just a fighting game, Mortal Kombat features the fights between gods and inhuman species so you'll find yourself immersed in powerful and impactful audio experiences. Epic metal weapon clashes, incredible explosions, striking lightning, and so on. Plus, the accurate and realistic sounds that are coming from your opponent's guts being torn out, or their spines being pulled out will give you unforgettable experiences.APK install it on your device.Extract the OBB file to /SDCARD/Android/obb/com.wb.goog.mkx. Ensure that the OBB file (main.19113.com.wb.goog.mkx.obb) and (patch.19113.com.wb.goog.mkx.obb) sits within the com.wb.goog.mkx folder.Start the game again. Enjoy!For the normal gamers, Mortal Kombat X could be a little bloody and won't be suitable for all ages. But if you've been fans of the series for long enough, you'll definitely find this game appealing and addictive. Not to mention that our mods will make the game a lot more exciting.
