For the latest COVID-19 updates, visit: 10th Edition; © 2021 Grade Levels: 9-12 Street Law: A Course in Practical Law is the most widely-used and trusted resource for teaching law in high schools! It provides young people with practical legal knowledge that is relevant to their everyday lives. Student-centered, interactive, democratic pedagogy ensures the development of high-level critical thinking and problem-solving skills, engagement, and communication skills that are consistent with emerging state and national standards. The 10th Edition of this student-centered, interactive program now features a brand-new chapter on environmental law that includes information on important federal legislation like the Clean Air Act and Clean Water Act. Current topics such as cyber-crime, identity theft, intellectual property rights, terrorism, immigration, and marriage equality are also discussed as they relate to legal situations.
