Copyright © 2021 InfoSpace Holdings, LLC, a System1 Company Whether or not you're a country music fan, you've probably heard the name Chris Stapleton once or twice in the past year. The breakout country music star has spent most of his career behind the scenes, penning major hits for Miranda Lambert, Tim McGraw, Adele, and Brad Paisley, but since the 2015 release of his debut album, Traveller, he has, along with wife and backup vocalist Morgane, become one of the most talked-about country stars in recent memory. Whether you haven't jumped on the Stapleton bandwagon just yet, or you've been rocking out to the singer's hits for months now, we've rounded up nine of his biggest music moments to serve as an overview of the country star's impressive career so far. Advertisement - Continue Reading Below "Midnight Train to Memphis" Country music fans were already excited for Chris Stapleton to perform as the musical guest on Saturday Night Live in late January 2018, but the singer really sent them into a frenzy by bringing Sturgill Simpson on stage as a surprise guest. It was the first time the two country powerhouses had ever performed on stage together—and their version of Stapleton's "Midnight Train to Memphis" did not disappoint. "Say Something" Justin Timberlake and Chris Stapleton's first official recording together is something that we can only hope is the beginning of a long and prosperous musical relationship. Man of the Woods, Timberlake's latest album, features Stapleton in a track that's just twangy enough to appease country fans and pop fans alike. (PSA: The music video is pretty incredible, too.) (I've Had) The Time of My Life" When we say you need to watch this "performance," we mean it. When Chris Pratt guest-hosted Jimmy Kimmel Live, he brought Stapleton out to sing "(I've Had) The Time of My Life," and the pair attempted the iconic Dirty Dancing lift, which they (kind of) pulled off. And life is all the better because of it. "Fire Away" "It's my new hometown, so I felt like I had to do something special," Timberlake said during his headlining set at the 2017 Pilgrimage Music and Cultural Festival in Franklin, Tennessee. That something special was bringing out Chris and wife Morgane for an epic mini set that included performances of "Tennessee Whiskey," "Fire Away," and "Sometimes I Cry." "Tennessee Whiskey" "Another Timberlake duet?" you might be about to say, but this was the one that arguably propelled Stapleton into mainstream fame. This duet with Timberlake at the 2015 CMA's was one of the night's most talked about performances. And that wasn't the only big moment: Stapleton also took home the awards for New Artist of the Year and Album of the Year. "Drink a Beer" Back in 2013, country superstar Luke Bryan brought Stapleton on stage at a West Virginia concert to help him perform the Stapleton-penned, "Drink a Beer." The casual, unrehearsed performance gave concertgoers a peek into Stapleton's gritty, soaring vocals (fast forward to 4:16). "What Are You Listening To" Even the most avid Chris Stapleton fans might not be familiar with this song. His first single, released in 2013, didn't make it onto his debut album, Traveller, but is a real tear-jerker. "Parachute" Stapleton made his debut SNL appearance to perform songs "Parachute" and "Nobody to Blame." Also on stage with him? His wife, frequent collaborator and backup singer, Morgane. "More of You" Stapleton and Morgane starred on an episode of NPR's popular "Tiny Desk Concert" to play three songs off of Traveller: "More of You," "When the Stars Come Out," and "Whiskey and You." The video is long (it clocks in at 15 minutes), but is definitely worth a listen to hear these stripped-down versions. "Traveller" Flanked by Morgane, Stapleton made his network television debut April 14, 2015, on The Late Show With David Letterman to perform his smash hit, "Traveller." Try not to swoon watching the way these two look at each other. "Amanda" In 2013, while still a relatively unknown performer, Stapleton sang a rousing rendition of Waylon Jennings and Don Williams' song, "Amanda." Now, the video has racked up more than 1.7 million views on YouTube—likely from fans looking to discover a pre-mainstream Stapleton. "You Are My Sunshine" For producer Dave Cobb's upcoming compilation album, Stapleton and Morgane recorded a slow burning version of "You Are My Sunshine." After listening to this version, one thing is clear: A kid's song this is not. "Free Fallin'" During a recent sold-out concert at Nashville's Ryman Auditorium, Stapleton brought opener Maren Morris onstage to perform a rendition of Tom Petty's "Free Fallin'." Though not a traditional country song, it's equally as fun to see Stapleton take on an old classic.
